Imformation about Me

I Am currently in 11th standard and working on your first coding projects. I am learning HTML and CSS, and I've already created a photo masonry layout using HTML. I're also working on a shoes project that involves using HTML and CSS. I've mentioned wanting to share your work on LinkedIn as part of your learning journey.

I made many projects in HTML and CSS

- Acoount page
- Contact page
- Form page
- Form_1 page
- general_knowledge_quiz page
- home page
- home page
- index page
